Pattern No: 27/MFI/2024-25/M by PFI Date:

The Ministry of Food Processing Industries (MoFPI) does not setup any food processing industries on its own. However, it encourages setting up of such industries through its Central Sector Public-Private Partnership (PFI/PPP) Scheme, Production Linked Incentive Scheme for Food Processing Industry (PLI/PLIF) and Centrally Sponsored PM Formalization of Micro Food Processing Enterprises (PMFME) scheme across the country including Bihar. These schemes are not region or state specific but decision driven and applications are invited for financial assistance through Expression of Interest across the country including Bihar.

Under PMFME, credit linked financial assistance (capital subsidy) is provided to entrepreneurs for setting up of food processing industries with total ceiling of Rs 5000 Cr for the Finance Commission Cycle.

Under PMFME scheme, financial, technical and business support is provided for setting up /upgradation of micro food processing enterprises. The scheme is operational for a period of upto 2025-26 with an outlay of Rs 10,000 Crore.

PLI/PLIF is, inter alia, intended to support creation of global food manufacturing champions and support Indian brands of food products in international market. The scheme is operational for a period from 2021-22 to 2026-27 with an outlay of Rs. 10,900 crore.

MoFPI, Food Park and Creation of Infrastructure for Agro-processing Cluster (APC) components of PMFME are aimed at development of such industries in clusters.
